Personal Profile

I am a hard-working, reliable, and motivated with the ability to work under pressure. I enjoy a challenge and take pride in the work I do. As well as this, I am a polite and co-operative person who likes to develop new skills in an environment around others. I enjoy working in teams, I am also a fast learner and will quickly pick up any required skills. I am ambitious and organised and will adapt to any working environment presented to me. I spend a large amount of my free time being creative, particularly within blacksmithing.

Work Experience

Short period of practice at Veretec Architects as an assistant.

Experience involved learning AutoCad, attending a project briefing and working amongst other architects.
